Posted in group: **Groundswell**

Hello Groundswell,

My name is Gaston Mooney and I work for the Senate Steering Committee.

I just wanted to send out an email to introduce myself and additionally solicit questions from the group for EPA Administrator nominee Gina McCarthy. I am putting together a list and my hope is that we can get several members to ask these questions in either the formal hearing or in member/nominee 1 on 1 meetings.

Please feel free to contact me at [REDACTED]
